FOR IMMEDIATE RELEASE

Hill/LiRo Joint Venture Awarded Contract by the New York City School Construction Authority

Marlton, NJ and New York, NY – July 13, 2010 – Hill International (NYSE:HIL), the global leader in managing construction risk, announced today that a joint venture of Hill and The LiRo Group has been awarded a contract to provide construction management, professional staffing and consulting services by the New York City School Construction Authority (SCA). The two-year contract has an estimated value to the joint venture of up to \$15.0 million.

"I am proud of the fact that the SCA continues to rely on the Hill/LiRo team to provide construction consulting services," said Stuart S. Richter, Hill's Senior Vice President. "Our team has provided outstanding service over the past five years and this new contract is a reflection of their great work," Richter added.

Hill International, with 2,500 employees in 90 offices worldwide, provides program management, project management, construction management and construction claims and consulting services. *Engineering News-Record* magazine recently ranked Hill as the 8th largest construction management firm in the United States. Certain statements contained in this press release may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information contained in this press release, the matters set forth herein including, but not limited to, any projections of earnings or other financial items; any statements concerning our plans, strategies and objectives for future operations; and any statements regarding future economic conditions or performance, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results, performance and achievements, or industry results to differ materially from estimates or projections contained in our forward-looking statements include: modifications and termination of client contracts; control and operational issues pertaining to business activities that we conduct on our own behalf or pursuant to joint ventures with other parties; difficulties we may incur in implementing our acquisition strategy; the need to retain and recruit key technical and management personnel; and unexpected adjustments and cancellations related to our backlog. Additional factors that could cause actual results to differ materially from our forward-looking statements are set forth in the reports we have filed with the Securities and Exchange Commission. We do not intend, and undertake no obligation, to update any forward-looking statement.
